Hours: 8:30 am - 3:30 pm DROP OFF

Monday - Friday

The Tire Recycling Center opened for business on July 1, 2003. Its operation has been successful in meeting the goals and expectations of Shelby County Public Works Division.

Every day our community generates between two and three thousand tires that must be disposed of properly. The Tire facility is open five days a week from 8:30 to 3:30. It is located at 511 Pear Avenue. Tire dealers and consumers of large numbers of tires must pay a fee to dispose of their tires.

Tire Disposal Policies

- Tires must be off the rim
- Tires cannot be muddy, full of debris, etc.
- Counted accurately
- Passenger and truck tires separated
- Each customer is responsible for unloading tires
